## Baked Alaska Cake (strawberry splash filling)

1 package (18.25 ounces) devil's food cake mix (plus ingredients to make cake)  
3/4 cup semi-sweet chocolate morsels, divided  
1 package (8 ounces) cream cheese, softened  
1 cup powdered sugar  
1 container (16 ounces) frozen whipped topping, thawed, divided (can be strawberry flavor or regular with food coloring)

### Directions:

Preheat oven to 325° F. Grease and flour **Classic Batter Bowl**. Prepare cake mix according to package directions; pour into batter bowl. Bake 1 hour, 10 minutes to 1 hour, 15 minutes or until **cake tester** inserted in center comes out clean. Remove from oven to **stackable cooling rack**; cool 15 minutes. Run **large spreader** around outside of cake and gently turn out onto cooling rack, large end down. Cool 3 hours.

Using **serrated bread knife**, trim large end of cake to level. Place cake, large end down, onto **Simple Additions Medium Square**. To slice cake into four equal layers, slice cake horizontally in half. Slice each half into two equal layers.

Chop 1/4 cup of the chocolate morsels using **food chopper**; set aside.

Place remaining chocolate morsels in **Small Micro-Cooker**; microwave, uncovered, on high 20-60 seconds or until melted and smooth, stirring after each 20-second interval. In clean Classic Batter Bowl, whisk cream cheese until smooth using stainless steel whisk. Add powdered sugar; whisk until smooth. Stir in melted chocolate; mix well.

Fold 2 cups of the whipped topping and chopped chocolate into cream cheese mixture using **classic scraper**. Using **small spreader**, spread bottom layer of cake with about half of the filling, forming a 3/4-inch layer. Repeat with remaining layers and filling, ending with the top layer of cake.

Spread any remaining filling over outside of cake to create a smooth surface. Frost cake with remaining whipped topping.

To form decorative peaks, press spreader into topping and pull away. Repeat over entire surface of cake. For easier slicing, refrigerate cake at least 30 minutes.

To easily cut cake into servings, cut cake into eight wedges from top to bottom using utility knife. Carefully insert **Slice 'n Serve** horizontally into each wedge, dividing into two equal portions.

## Strawberry Cheesecake Microwave Cake

1 strawberry cake mix

(if you can't find strawberry ~Pillsbury and Betty Crocker makes one ~ you can use white, add red food color, not much, like one drop and add an extract tsp of strawberry extract ~~ BUT the strawberry cake mix is prettier but it has pink cake with red speckles, plus you're putting in the white chips~very pretty!)

1 tsp. strawberry extract

½ cup white chocolate chips

1 (3 oz. box) cheesecake pudding mix

16 oz. sour cream

½ cup oil

3 eggs

Garnish: whipped topping and fresh Strawberry fans.

### **Five Simple steps to success:**

1. Spray your pan lightly and dust with flour (works best with Baker's Joy).
2. Whisk eggs and pudding mix together in Classic Batter Bowl.
3. Add remaining ingredients, blending well with Mix N' Scraper.
4. Drop batter into Fluted pan and microwave on high 12-14 minutes.  
1. (Watch your cake after 10 minutes if you microwave runs hot.) Works best if you have a turntable in your microwave. If not, rotate every 4-5 minutes.
5. Invert cakes immediately, but leave pan over the cake for 10 minutes. Cool. Garnish (Flour Sugar Shaker filled with powdered sugar, fresh strawberry fans made with your Egg Slicer Plus, fresh mints snipped with your Kitchen Shears) as desired.

### **Finishing touch directions:**

Then I pull out my powdered sugar filled **Flour Sugar Shaker** (talk about how great this is for powdered sugar, but we also have one filled with cinnamon sugar for cinnamon sugar toast).

Then it's time for the fresh strawberries (I do about 6...more if you want)...pull out the **Egg Slicer Plus** and make strawberry fans...put them at the base of the cake.

Lastly, I get out my washed fresh mint leaves and **Kitchen Shears**. Snip off a few to lace in between the strawberry fans....it ends up looking pretty darn good!...If you really want to get fancy...use your **EAD** filled with Cool Whip or a cream cheese mixture...pipe it at the base before you put the strawberry fans and mint leaves. I start wearing my pink apron NOW and start talking about this cake.

1 tablespoon butter or margarine, melted  
2 tablespoons granulated sugar  
1 container (8 ounces) low-fat strawberry yogurt  
1 1/2 cups thawed, frozen whipped topping, divided  
1 cup raspberries  
1/2 cup blueberries  
2 teaspoons powdered sugar

### **Directions:**

Preheat oven to 350° F. Using **Pastry Brush**, brush one side of each wonton wrapper with melted butter. Sprinkle wontons evenly with sugar using **Flour/Sugar Shaker**. Press each wonton, sugared side up, into cups of **Deluxe Mini-Muffin Pan**. Bake 6-8 minutes or until edges are light golden brown. Remove wontons from pan to **Stackable Cooling Rack**; cool completely.

Place yogurt in **Small Batter Bowl**; fold in 1 cup of the whipped topping. Attach closed star tip to **Easy Accent Decorator**; fill with remaining whipped topping.

Using **Small Scoop**, scoop yogurt mixture into each wonton. Top each wonton with one raspberry and two blueberries. Garnish with whipped topping; sprinkle with powdered sugar. Serve immediately.

Yield: 24 wontons
